## **Alan Plevy named one of DC's Best Divorce Attorneys** *Prestigious List from Washingtonian Magazine*

(Vienna, VA)—[Alan Plevy](#) is one of the best divorce attorneys in the Washington, DC area, according to a new article in *Washingtonian*. The magazine has just published its much sought-after list of 88 top names of Best Divorce Attorneys. Plevy, a principal of [SmolenPlevy](#) in Vienna, Virginia, has been practicing family law for more than 30 years. He started the firm with his co-founding principal [Jason Smolen](#) in 1977.

"I'm honored to be named as one of *Washingtonian's* best divorce attorneys," says Alan Plevy. "More importantly, I'm privileged to be able to use my expertise and experiences to help clients successfully get through difficult times. Breaking up is hard to do, as the article says, but those of us on the list are dedicated to getting the job done right."

*Washingtonian* only issues its list every few years—making it even more prestigious. The article, in the February 2009 edition, explains that tougher economic times mean more divorces in the Washington area. More people are seeking out top attorneys, like Mr. Plevy, to help them deal with broken hearts and damaged or deteriorating finances.

As Mr. Plevy explains, "I understand the financial and emotional challenges of divorce, especially when children are involved. It also makes a big difference to the client's case, when their attorney is familiar with the complex laws in Virginia and Maryland, knows the court systems and the people involved in the process."

This is the latest in an impressive list of honors for Mr. Plevy. Several of the cases he's argued to the appellate courts are regularly cited as landmark precedents. In addition, Mr. Plevy has been recognized by Virginia Super Lawyer and has received the coveted AV rating by Martindale-Hubble. Both distinctions are determined by judges and peers in the legal community.
